The Next Thing You Know

(Turtle enters psychiatrists office)

Doctor: Hello. Last week, you mentioned you were struggling with some feelings of competition. (Music begins) Let's discuss that.

Silverstein/Madore

$\text{♩} = 100$

Doc (2nd x): Please sit. Tell me about your situation.

Turtle: The rab-bit made me run. I felt so out of place.

Mouse: I took a walk one day, and when I turned, I saw

4

It did -n't seem like fun, but he was in my face.

a li - on in my way, a splin-ter in his paw.

6

I swore to do my best: a slow and stead - y pace,

And then I heard him beg, a qui-ver in his jaw.

8

and when he stopped to rest, was when I won that race. Doc: Very interesting. Then what happened?

I climbed up on his leg and freed it from his claw. Doc (2nd x): Very interesting, please elaborate.
